

Accredited Online High School

Silicon Valley High School provides students enrolled in high school or home school organizations with innovative, relevant, and compelling online High School programs. Catch up on credits for graduation or choose an elective from our course catalog.

- Our courses are available online 365 days a year. Start at any time during the year.
- Courses are self-paced to accommodate each student's needs. Students work at their own speed and can complete a course in time for graduation.
- Courses are designed to meet the common core curriculum, and course sections are mapped to the relevant academic standards.
- Teacher-supported course with feedback on all assignment submissions.
- Consistently affordable price. \$125 for a semester course.
- Our courses are approved by the [University of California](#) (A-G requirement), and core curriculum courses are approved by the [NCAA](#) (National Collegiate Athletic Association).
- We are accredited by WASC and Cognia, the largest community of education professionals in the world.

Check with your school to see if they accept our courses for high school credit. We issue official transcripts; our CEEB # is 290023.

For more details about our courses, check out our [catalog](#):
